All new users need to register for KSWebIZ access at the following web address: <https://kanphix.kdhe.state.ks.us>

Upon arriving at this web address the new user will need to select “Register” and proceed with the registration steps. The link to “Register” is located on the right side of the screen in the vertical menu bar titled, in green, “KANPHIX Menu”. Please refer to the screen shot for an example of what you will see when you arrive at the web page

Once the user registers, notification will be sent to registry staff at which point, registry staff will work in correlation with the KDHE IT office to set up access. Notification will be sent to new users once the token request has been processed. For transfer tokens, notification will be sent by email. For new tokens, notification will be sent by mail. Included with the notification will be detailed instructions on what paper work needs to be completed and how to log in for the first time.

KSWebIZ staff asks that you please allow a minimum of two weeks (10 business days) for token requests to be processed.

Let us know if you have any questions.

Thank you,

KSWebIZ Staff
